Clyde M. York 4-H Center

Join in the fun!

The Clyde M. York 4-H Center is located near Crossville atop the scenic Cumberland Plateau on 194 acres. The air-conditioned facilities — a recreation hall, dining hall, and cabins with modern bath facilities — create a restful atmosphere for campers.

Many adventures await at 4-H camp! The camp features an Olympic-size pool with a 125-foot water slide. Do not forget to zipline across the lake! Two lakes offer places to fish, paddle board, canoe or kayak. The camp has a craft, T-shirt, and woodworking shop. Other facilities include a covered basketball court, sports fields, a wildlife center and adventure challenge courses. An outdoor theater serves as the backdrop for campfires and vespers. Snacks are available at a canteen.
