

Tennessee 4-H Junior High Academic Conference

If you are chosen as a delegate for this conference, you will be involved in educational programming on the campus of the University of Tennessee in Knoxville (UTK). Delegates will receive extensive, hands-on training in project areas, under the supervision of university scientists and specialists on the UTK campus. The conference will provide a variety of rewarding and fun-filled experiences inside the classroom, outdoors, and in laboratory settings.

Who May Attend?

Junior High 4-H members (6th-8th graders, as of January 1, 2025), who are enrolled in one of the following project areas, are eligible to attend. Delegates may attend in a project area only once. Delegates are encouraged to choose a first and second choice of project areas in which to attend.

- Beef
- Citizenship
- Communication/Public Speaking
- Companion Animals
- Computers & Technology
- Consumer Education
- Creative Arts and Design
- Dairy Cattle
- Entrepreneurship
- Food Science/Dairy Foods
- Forestry/Wildlife/Fisheries
- Goat
- Horticulture/Gardening
- Horse
- Nutrition, Health, and Fitness
- Outdoor Recreation/Shooting Sports
- Poultry
- Sheep
- Swine
- Veterinary Science

The Purpose of the Conference

- To recognize outstanding 4-H members and leaders
- To provide academic training related to the 4-H members' project area
- To offer opportunities for career exploration in agriculture and family and consumer sciences
- To meet other 4-H members with similar interests or in the same project area
- To experience campus life and facilities firsthand

Program Staff

The scientists and specialists who will be conducting the program are experienced UT faculty members with national reputations in their areas of specialization. They have been chosen for the conference on the basis of their experience and ability to work with youth.

Housing and Meals

Central and Western Region 4-H members will be bused to Knoxville, while Eastern Region 4-H members should plan to be transported by parents or 4-H agent. Once youth have arrived on campus, they will be housed in air-conditioned comfort of the UT Knoxville residence halls— just like real college students! Most of the meals will be on campus: the University Cafeteria, breakfasts sponsored by UT Collegiate 4-H/FFA Club, lunch sponsored by Knox County 4-H Honor Club, and a Pizza Party. The Graduation Banquet is a fancy shin-dig so pull out fancy outfit (not really — just bring a nice suit or dress).

Cost to Attend

The registration fee to attend Academic Conference is \$100 per delegate. Because our sponsors think this conference is important to attend, each delegate is only paying a portion of the total fee. Once delegates are notified of their selection, they will be instructed to pay the \$100 fee to the County Extension Office.

The Characteristics of an Exemplary Delegate

As an official delegate representing your region, delegates should be on their best behavior and act as a model 4-H'er. Here are a few things to ensure success during this conference:

- Make it a point to be on time or ahead of time for each session or event
 - Be a good listener. Impress the scientists or specialists with delegates' ability to pay attention
 - Tobacco products, drugs, weapons, and chewing gum are not permitted at this conference
 - Writing notes of thanks to sponsors, leaders, agents, and parents is greatly appreciated
 - Share experiences with others when delegates return home. Take notes and be prepared to give an interesting and worthwhile account of the experience on the UTK campus

How Can I Apply for This Conference?

Applicants will need to fill out the Application for Academic Conference and a [Section A](#) form for the portfolio for all project areas except Citizenship. If you are applying to attend Academic Conference in the Citizenship project area, you will fill out the application for Academic Conference and a [Section C](#) form. **Both forms (your application and Section A or C) should be sent to your 4-H Agent by March 28.**

Upon acceptance, delegates will be notified by your 4-H agent. This typically occurs by the end of each April.

Sponsorship

The conference is conducted through a cooperative effort by UT Extension, the University of Tennessee Herbert College of Agriculture, the University of Tennessee College of Veterinary Medicine and UT AgResearch. This event is sponsored by gifts from a variety of donors with an interest in giving youth an in-depth project experience on the University of Tennessee campus including the following:

- Tennessee Farmers Cooperative
 - Tennessee 4-H Foundation
 - Tennessee Pork Producers Association
 - Ezell/Purity Endowment
 - Greever Memorial Fund
 - Stanfill Memorial Fund
 - University of Tennessee Institute of Agriculture
